Namaste!!

As a Parent it shatters us to know that our children breathe air that is so polluted & eat food that is extremely adulterated.

Panchwati GenZ Farms, a unit of Yuvasam Nature Care Ltd has taken an initiative to spread a word by organising **“FARM VISIT PROGRAMME”** under which they intend to provide a solution to our problem.

By learning the below listed activities at the farm & incorporating them into our daily lives we assure the problem can be solved to some extent:-

1. Making Seed Bombs.
2. Planting Saplings.
3. Making Enzyme from kitchenwaste.
4. Making Gaumaye Products (Pots, Keychains, Name plates etc.)

“FARM VISIT ” is scheduled **on Monday, November 28th, 2022** between school hours i.e. **8:30 am to 1:30 pm** . All the students will carry their lunch & water bottle with a notepad and a pen.

All students must be in proper school uniform with I Card.

Thanks and Regards
MPS
